

*Your Partner In Precision Metal Stamping*

*At Atlas We Believe In Our Motto:*

# DO THE JOB RIGHT

The First Time, On Time, Every Time

**Lynda Prigodich**

**Atlas produces a full range of precision metal-stamped seals, gaskets, washers, brackets, shims, and more.**

**We design and build needed tools in-house, passing the savings on to customers.**

At Atlas, we do more for our customers. We strive for excellence in customer service—anticipating our customers’ needs ahead of time.

As a women-owned business we are focused on customer satisfaction—from design to delivery. We have an extremely low DPPM level with under .0001 Defective Parts Per Million for the last decade.

Our full range of precision metal-stamped seals, gaskets, washers, brackets, shims, etc. make us a perfect partner for lot sizes of 500 - 20,000 pieces.
